In Internal Audit world, working exclusively on paper is much more common than it should be. There are many benefits to using a technology solution for workpapers; benefits that far outweigh the costs. Today, I want to encourage readers to advocate for your company, and your peers, to move toward fully electronic workpapers.

Effective audit service. This article is about audit working papers. Auditors should prepare and organise their working papers in a manner that helps the auditor carry out an appropriate audit service. The auditor should avoid preparing or accumulating unnecessary working papers, and should therefore avoid making extensive copies of the client's accounting records.
