Instead, I would highly recommend the LSAT takers purchase a book from the Law School Admission Council, which sells actual past LSAT exams. What we seek to do is earn high scores on the actual LSAT test; we really do not care how Barron's will rate us. So we must take a test that is as close to a real LSAT test as humanly possible.

My first hint that Barron's LSAT is a prep book of minimal substance was quite obvious and, had I gone with my gut feeling, I'd be richer in both time and money. The hint was the large "STUDENTS' #1 CHOICE" gold star slapped onto the cover. Problem is, at no point did the book provide any evidence to back up this claim of being #1.

There's a lot of books that claim to have an edge but Barron's LSAT definitely has the best combination of pacing and explanation. After preparing with Barron's I really felt confident going into my second LSAT. It is insightful to problem types you'll actually encounter and when to just move on. This was definitely money well spent.
