The Gun Carrier Mark 1 was completed with a single Daimler gasoline engine developing 105 horsepower, this fitted to a rectangular compartment at the rear of the vehicle. This allowed for a top speed of nearly 25 miles per hour in very ideal conditions. Considering the terrain types the carrier was to manage, this speed was optimistic at best.

Carrier of the Mark is the debut novel of author Leigh Fallon. I ordered this for my Nook when it released in January of 2011. I bought it because I absolutely loved the cover. While the synopsis revealed very little; it was enough to pique my interest when it mentioned Ireland. I am not Irish, but I love reading stories set in Ireland.
