Divided By God Americas Church

In "Divided By God" Noah Feldman examines the church state issue from the problem of state, and colony, sponsored churches faced by the Founding Fathers, traces the history of church state relations, and how the ideas of the Founding Fathers were interpreted, from then to now. At the end he poses a possible solution that is well worth considering.

In "Divided By God" Noah Feldman examines the church state issue from the problem of state, and colony, sponsored churches faced by the Founding Fathers, traces the history of church state relations, and how the ideas of the Founding Fathers were interpreted, from then to now. At the end he poses a possible solution that is well worth considering.

Divided by God: America's Church-State Problem--and What ...

Divided by God is a very interesting book about our Church and State issue. The author, Noah Feldman, did a good job going through history to tell his readers how we have already tried to solve this problem. He also tells us that so far we really have not accomplished anything but instead have stayed at about the same place.

Divided by God: America's Church-State Problem--and What ...

Divided by God is an engrossing history of America's church-state issues; the title is a bit misleading, as 90%+ of the book discusses the (distant) past, while only the last chapter details Feldman's proposed solution to the current stalemate.

Divided by God: America's Church-State Problem--and What ...

Even before George W. Bush gained reelection by wooing religiously devout "values voters," it was clear that church-state matters in the United States had reached a crisis. With *Divided by God*, Noah Feldman shows that the crisis is as old as this country--and looks to our nation's past to show how it might be resolved.

Divided By God: America's Church-State Problem--and What ...

In *Divided by God*, Noah Feldman has crafted an important book that explores the history of the separation between church and state and from that history, proposes what we should do about this
