Dragon Stew is a Fifth Edition Supplemental that gives both players and GMs the tools to bring the magic of cooking into their games. All content included in the book has been designed to be extremely easy to learn and use, whether you use it as a fun addition to your long-running game or start a new short adventure.

### Dragon Stew

Dragon Stew follows the story of five Vikings who are bored and thus go on an adventure to find a dragon and turn it in to stew. Its quite straight forward. Most of the humor in this book, sadly, comes from toilet humor, which is a shame as I was really hoping that this book may have been rather clever and thought provoking.
