Giving Voice To Values Babson

The main idea behind the Giving Voice to Values (GVV) approach to values-driven leadership development is the observation that a focus on building awareness—on teaching employees to recognize and analyze ethical issues in a particular situation—is insufficient.

Giving Voice to Values in Leadership | Babson College

Her book, *Giving Voice to Values*, is inspired by a curriculum Gentile launched at the Aspen Institute with Yale School of Management, with interim support from Babson College and now based at University of Virginia Darden School of Business and which has been piloted in over 1,020 schools and organizations on all seven continents.
