Baharat is a popular spice blend in Northern Africa. There is no true recipe for this blend, as it usually varies from family to family and from region to region, but it does usually have black pepper, paprika, and cumin in it in some amount. La Kama is a blend used most commonly in soups and stews, but it is especially used in Harira.

### African Spices and Seasonings | SpicesInc.com

Traditionally, South African Indian recipes call for garam masala, a blend of seven spices, cumin, coriander, cardamom, black pepper, cinnamon, cloves, and nutmeg. Spices give South African Indian cuisine its unique flavor and character. Most South African Indian recipes call for many different types of spices, many you may never have used.

Blackening Seasoning. This flavorful cajun favorite is a mixture of paprika, garlic, thyme, oregano, and black, white, and cayenne peppers. Meat and fish are usually coated in the seasoning and then seared until "blackened" in a hot cast iron skillet. Rather than being burned until black, the paprika, which turns a deep reddish-black color when seared, is responsible for the blackening action.
