## **Inward Processing Relief Ipr Suspension**

Inward Processing (IP) is the term used to describe a duty relief procedure. It allows goods to be imported into the European Union (EU) for processing, with suspension of import duties and VAT, with the products which result from the processing either re-exported or released to free circulation with duty and VAT paid on either the originally imported raw material or on the processed products.

## **Inward processing - Revenue Commissioners**

INWARD PROCESSING RELIEF. (IPR) Inward Processing Relief (IPR) is a method of obtaining relief from Customs duties and VAT charges. The relief applies to goods imported from outside the EU,
