Manzanar To Mount Whitney The

Part memoir and part hiker's diary, *Manzanar to Mount Whitney* gives an intimate, rollicking account of Japanese American life California before and after World War II. As he wanders through the mountains of California's Inland Empire, Umemoto recalls pieces of his childhood on a grape vineyard in the Sacramento Valley, his time at Manzanar, where beauty and hope were maintained despite the odds, and his later career as proprietor of a printing firm, all with grace, honesty, and unfailing humor.

This is an excellent book detailing a less than honorable time in American history. I was greatly encouraged to read the author's life story intertwined with the Manzanar interruption. I have hiked Mt. Whitney ten times myself and fully understood the author's concern and preparation for that great hike. I really enjoyed the book!
