It is Morgan Downey's "Oil 101". It sits on my desk, not because it gives me a lot of the in-depth detail that many of the stories that I write require, but rather it is because it has a vast reservoir of the small, but invaluable, snippets that provide that useful addenda that help in understanding a story.

The Oil Drum | A Review of "Oil 101" by Morgan Downey

Buy Oil 101 if you are a scientific person who follows the financial markets, but you have never worked with nor traded oil. Oil 101 isn't the be-all, end-all of books on oil, but it is a worthy place to start.
